

Dear EDS Customer:

Thank you for expressing an interest in the Individual Dental Plan provided by Employers Dental Services (EDS). We are very excited that you selected a local Arizona company to provide your dental benefits. The enclosed brochure provides a detailed explanation of the plan benefits.

The EDS Individual Plan offers comprehensive dental benefits at a low monthly rate. Advantages of the plan include, coverage for existing conditions, zero deductibles, discounts to contracted dental specialists, discounts on medical and dental prescriptions, an emergency benefit and more. We offer you a wide range of benefits – everything from cleanings, fillings, crowns, dentures, extractions, and many other often prescribed procedures. Costs are defined in the brochure under “Member Cost,” this way you know what the costs are for each visit to your general dentist. You can enroll your dependents, as well!

We offer two payment options. You may pay the entire yearly premium through a single payment and receive a \$19 (EDS700R) savings or pay through our monthly bank draft deductions, the choice is yours.

Enrollment is fast and easy. Simply complete the *Enrollment Application & Agreement* and the *Payment Method Form*. Return both to EDS with your premium and we'll take care of the rest. After your effective date, you can begin enjoying your dental benefits.

Our Customer Service Department is located right here in Arizona, please call us. We welcome the opportunity to answer any questions.

Sincerely,

Employers Dental Services
